4D3N HA NOI – HA LONG PACKAGE TOUR

Hanoi was founded in 1010, and became the centre of government for the Indochina Union under French rule in 1888. In 1954 it became the official capital of independent Vietnam. The streets of the Old Quarter preserve age-old customs, where trade takes one back half a century, and temples, pagodas and monuments reflect the historic character of Vietnam. And Ha Long Bay is one of the world's natural wonders and is the most beautiful tourist destination of Vietnam. Ha Long Bay features more than one thousand awesome limestone karsts and islands of various sizes and shapes along the 120-km coastline of Bai Chay Beach. Its waters are host to a great diversity of ecosystems including offshore coral reefs, freshwater swamp forests, mangrove forests, small freshwater lakes, and sandy beaches. The folk tale has it that the dragons descended from heaven to help locals by spitting jewels and jade to the sea, forming a natural fortress against invaders; these precious stones are represented by the lush green outcrops. Several islands boast beautiful grottos and caves with contiguous chambers, hidden ponds and peculiar stone formations. The bay is about 170 kilometers northeast of Hanoi and 3,5 hours by road.
